NEWS FROM TOWER HAMLETS COUNCIL AND YOUR COMMUNITY

# 'Our community has just lost one of its brightest prospects'

Ajmol Alom, pictured at Belfast Airport. The teenager was returning from a visit to Newry where he worked with local youngsters on finding ways of peacefully overcoming the differences in divided and sometimes violent communities.

**A TEENAGER who was stabbed to death last week achieved top grades in his GCSEs.**

Ajmol Alom, 16, died after the assault in Poplar on August 12.

The Langdon Park pupil achieved eight grade As in subjects including English literature, maths, science and geography.

He also got grade As in religious studies and citizenship, and B grades in English language, humanities and physical education.

The news added to a sombre atmosphere at the school, where pupils receiving their own results were heartbroken that Ajmol was not there to share the day with them.

Headteacher Chris Dunne said: "Just a few weeks ago I interviewed Ajmol for a place in our new sixth form. He

already had offers from a number of colleges, but it was absolutely typical of him that he both wanted to explore all the possibilities open to him and to actively support this new venture.

"It summed up for me the two things about Ajmol which I will remember the most: how hardworking he was as a student, and how very decent he was as a person.

"All the many journalists who interviewed me after the horrifying event of his killing wanted to know how 'good' he was as a student.

"I was able to say, without hesitation, that he was very able, looking forward to GCSE results at a very high level and very capable of going on to achieve the kind of grades which would have secured him a place at any one of our best universities."

# Simply the best GCSEs

BY IAN READ & JESSICA ODUBAYO

**TOWER Hamlets students have achieved the best GCSE results ever seen in the borough, the council has announced.**

While the picture across England, Wales and Northern Ireland was one of decline, students in Tower Hamlets bucked the trend.

Last year, 61.9 per cent of local students achieved the government standard of five "good" GCSEs – those at grade C or above including English and maths.

Last week's results are still being calculated, but it is already clear that the overall rate has increased by around three percentage points to about 64.8 per cent.

This is the highest proportion since the measure was introduced in 2006.

The borough has also enjoyed a double-figure percentage point increase year-on-year in the number of students achieving the English Baccalaureate – given for attaining top A\* to C grades in English, maths, science, a modern foreign language and history or geography. This year around 20 per cent of students achieved this standard, up from 9.6 per cent in 2012.

The success comes a week after A level students posted the borough's best ever results.

Mayor Lutfur Rahman said: "These results are a glowing endorsement of our young people and of our schools. First our A-level results were the best ever – and now our GCSEs.

"While nationally the number of top grades is declining, the opposite is true in Tower Hamlets, which is fast building a reputation for educational excellence."

Cabinet member for children, schools and families Cllr Oliur Rahman said: "The trend for improved results is a wonderful testament to all the staff, students and parents who work tirelessly to help ensure the borough's teenagers are given the best possible start in life.

"Congratulations to everybody involved in this success.

"For those young people who did not get the grades they hoped for, there is no need to despair because expert help is available. Just contact our careers service on 7364 1401 or [careers.service@towerhamlets.gov.uk](mailto:careers.service@towerhamlets.gov.uk)"

## St Paul's Way School

THE school maintained its dramatic turnaround in recent years with an impressive 59 per cent of students achieving five grades of A\* to C, including maths and English.

This matched last year's performance and demonstrated the scale of the improvement since 2008 when just 23 per cent of students achieved this standard.

Mayor Lutfur Rahman spent the morning at St Paul's Way with students and staff.

Enamur Rahman, 16, was the school's top performer with an A\* and seven A grades among his results.

"I'm shocked. I didn't know I was going to do that well," he said.

Enamur will stay at the school at its new sixth form, to study economics, geography, maths and ICT.

Mayor Rahman said: "It was inspiring to meet so many dedicated and driven young people at St Paul's Way.

"Today is about celebration and it is clear there is much to cheer at schools right across this borough. However, my thoughts are also with students and staff at Langdon Park School, for whom today takes on special significance after the sudden and tragic loss last week of Ajmol Alom. I would like to pay tribute to everyone who has helped the school and the community unite after Ajmol's death."

Other notable achievers at St Paul's Way Trust School included Nadia Tahmin, 16, who was delighted with her three As, four Bs and three Cs. She said: "I couldn't believe it. I was in tears last night because I didn't expect to do this well. I'm feeling so good. I'm over the moon!"

Osman Njie celebrating 11 GCSEs, five As and six Bs at Swanlea School

### Bow School

STUDENTS and staff celebrated record-breaking GCSE results, the best ever in the school's history.

Sixty one per cent achieved five or more A\* to C grades, including English and Maths, representing an increase of 10 percentage points on last year's figure.

Thirty nine per cent of students achieved at least three A\* or A grades with a large number gaining more than three top grades. Top achievers include Abdul Wahab and Rubayed Ahmed, who each achieved a collection of nine A\*/A grades; and Partha Dey and Nahim Ahad who also gained eight A\*/As each.

The latest set of results highlight the rapid improvement in exam success and is part of the exciting transformation programme at the school, which will be moving to a new building in June 2014. And in September 2014, girls will be admitted and the sixth form opened.

### Morpeth School

THE Bethnal Green school celebrated its best ever GCSE results, which were up by about 10 per cent on last year.

"There has been a big improvement in pupils getting the top grades, some gaining as many as six or more As and A stars," said head teacher Sir Alasdair MacDonald, who retires this summer.

"This is a great way for me to finish and a reflection of how far the school has come. In the first year of my arrival at the school, just 16 pupils achieved five A to C grades; this year it was 162 – that is how far the school has come."

Vanessa Chissell who achieved five A stars, six As and one B said she was shocked and happy.

"My teachers, especially my

# Ban EDL march, says coalition

BY STAFF REPORTER

**A COALITION of community groups, the council, faith organisations and trade unions is calling for a ban on a proposed march in Tower Hamlets by far right group the English Defence League (EDL).**

The march is due to take place on September 7. Members of the United East End coalition have added their signatures to a letter from Mayor Lutfur Rahman to Home Secretary Theresa May, calling for the march to be banned.

United East End held a rally in July at the London Muslim Centre, bringing together community, faith and campaigning organisations— including political parties and MPs.

Members of United East End, photographed in July

Mayor Rahman, who attended the rally, said: "In addition to their plans to march through our borough, the English Defence League also wanted to gather in Altab Ali Park afterwards.

"This was a deeply provocative and gratuitous attempt by the EDL to use a park named af-

ter a young garment worker who was murdered by racist thugs in 1978."

"I am delighted council officers have refused permission for our park and the name of Altab Ali to be abused in this way.

"I am today redoubling my efforts to make sure the Home Sec-

retary stops the racist EDL from marching through our borough.

"And I'm absolutely delighted that a whole succession of national and local leaders are joining me in this call."

Glyn Robbins, chair of UEE, said: "The EDL stands for bigotry and the threat of violence.

"They are not welcome here. Our unity and diversity is our strength—and the people of the East End will not allow the EDL to divide us."

Alan Green, chair of Tower Hamlets No Place for Hate and the Tower Hamlets Inter Faith Forum, added: "Christians, Muslims, Jews, Buddhists, Hindus, those of other faiths and those of no faith will continue to stand together to prevent the EDL from targeting any section of our community with their hatred and their violence.

"They do not speak for anyone in Tower Hamlets and they have no place here."

Sabby Dhalu, Unite Against Fascism joint secretary, said communities in Tower Hamlets must unite and mobilise against the EDL.

## 'A very decent human being'

Continued from page 1

Mr Dunne continued: "That, however, is not the most important thing. Some youngsters as able as Ajmol don't ever realise their full potential because they aren't prepared to do what's necessary to ensure success.

"Some are remembered for the way they show off their cleverness at the expense of other, less able students. Ajmol's approach was the opposite.

"He would always have been the last person to boast of his ability. He regularly attended the extra classes and revision ses-

sions run by his teachers, even when he probably didn't need their help any longer.

"His friends could rely on him for help if they needed it, not for arrogance or scorn.

"The other thing I told the journalists was about Ajmol the person: a keen sportsman, a talented boxer and dancer, a very good friend to his friends and, above all, a very decent human being.

"We are constantly bombarded with negative stories about young people, about their poor attitudes and anti-social be-

haviour. Working in schools and youth clubs for the past 40 years I have learned the opposite, that the vast majority of young people are in fact very decent, and undoubtedly go on to be equally decent adults.

"Our school, our community, our country has just lost one of its brightest prospects and we are all rightly shocked and depressed by it.

"The best comfort we can take is that, for however short a time, those of us who knew Ajmol knew a very splendid young man and a fine citizen."

## Appeal for witnesses to come forward

**POLICE investigating the killing of Ajmol Alom were out in force, to appeal for information and witnesses from the local community to come forward.**

One week after the teenager was fatally stabbed, detectives and local officers visited Spey Street, Poplar, on Monday, August 19, to set up a mobile police station, distribute appeal leaflets and speak to residents and passers-by.

Detective chief inspector Andy

Chalmers, from the homicide and major crime command, said: "I am sure there are people in the local community who can help us.

"It was warm last Monday and people would have had windows open.

"I would ask anyone who may have heard or seen anything to please come forward and contact the incident room.

"Ajmol was with his friend and doesn't appear to have been doing anything to provoke

this attack. Ajmol's family are naturally devastated."

Anyone who can help is asked to call the police incident room on 8358 0100 or, if you wish to remain anonymous, Crimestoppers on 0800 555111.

■ Aminur Nazir Khan, 19, of Robin Hood Gardens, has been charged with Ajmol's murder and the attempted murder of Azime Rob, also 16.

Two other men, aged 19 and 21, have been arrested and released on police bail.

**MILE End Community Project (MCP), an award-winning group that inspires young people to express themselves creatively, organised the party in partnership with social housing provider Eastend Homes and the Eric Street tenants and residents association.**

Twenty two young people volunteered to make the event a success. Residents from across the community, of all ages, faiths and ethnic backgrounds, came together to participate in activities including children's games, outdoor table tennis, pool and entertainment.

Khalid Abdulrahman Aiman, one of the volunteers, said: "It was great to see the community come out and enjoy the event."

"I had the chance to speak to a lot of people. They all loved it." Mayor Lutfur Rahman, who attended the event, met residents and participated in the fun packed celebration.

Formed by a group of young volunteers in 1995, MCP is particularly known for its award-winning film-making projects.

The project has had a busy summer. As well as organising the barbecue, members took

also spent the day with a youth delegation from the Middle East. The visitors were part of a project called Create and Inspire. The groups interviewed

The day started with creating ideas and a storyboard, fol-

# A level success for borough's record-breaking sixth formers

BY IAN READ

## SIXTH-FORM students in Tower Hamlets have posted the borough's best ever A level results.

Hundreds of teenagers across the borough learned their results on Thursday, August 15, either online or by collecting them from their schools and colleges.

And collectively they have achieved the best results the borough has ever produced.

Mayor Lutfur Rahman, who joined students in celebrating

at Central Foundation Girls' School on results morning, said: "Our young people are proving year after year that Tower Hamlets schools are beacons of excellence.

"This success demonstrates that with hard work from students, teachers and parents there is nothing our young people cannot achieve."

This year's landmark performance marks a considerable improvement in school results over the past few years and demonstrates that Tower Hamlets is bucking the trend.

"Nationally, the percentage of A levels being awarded the top results has dropped for the second year running."

In addition, this latest success comes as more local students than ever are securing places at top universities.

Mayor Rahman added: "These outstanding results by our young people should make everyone involved in local education proud.

"The steadily improving performance in the borough's

schools is proof that investment, hard work and commitment are a winning combination.

"I hope that all those going on to university will apply for one of my Mayor's Higher Education

Awards. If you haven't, I urge you to do so as soon as you have finished celebrating!"

Cllr Oliur Rahman, cabinet member for children, schools and families, said: "As a borough we are celebrating fantastic

results but I know this is due to hundreds of superb individual achievements.

"Congratulations to every sixth-form student in the borough and I wish you all the very best in your future careers."

**With hard work from students, teachers and parents, there is nothing our young people cannot achieve."**

# Starting out on the right foot

## Establish new healthy habits

### News from Tower Hamlets Public Health

**THE beginning of a fresh school year is a great time to establish new, healthy habits to give children the best start in the classroom and beyond.**

Families across Tower Hamlets are being encouraged to sign up and make at least one healthy change in September as part of the Change4Life Smart Restart campaign.

Poor diet and low levels of physical activity increase the risk of diabetes, cardiovascular disease, cancer, stroke and other ill-health. Keeping active and eating well are crucial for adults and children to maintain a healthy lifestyle, plus eating well and moving more can help children's bodies and brains develop better.

One small change can make a big difference and Change4Life has five different ways to incorporate healthy habits:

- Stretch your legs – swap car or bus rides for walking or cycling.
- Ten-minute moves – kids needs at least 60 active minutes a day. Breaking this down into ten-minute chunks makes it easier to achieve.
- Screen-time switch – tempt kids away from screens with fun games for at least 30 minutes a day.
- Beat the treats – ideas for healthier alternatives to kids' regular treats.
- Super lunches – ideas for quick, tasty lunches.

As part of the local drive to get on the healthy track, a street festival is being hosted at two venues: Crisp Street Market and Langdon Park on Sunday, September 8 from 11am-9pm. A variety of family activities are planned such as dancing, face painting, music and film, local food stalls and a cooking demon-

stration with fresh fruit and veg. To keep the momentum going, anyone living in Tower Hamlets can get involved in one of the following fun, free programmes:

■ Healthy Families is a five- to six-week course on healthy eating and an active lifestyle for parents of children from birth to 16. Call the Tower Hamlets Council Parental Engagement team on 7364 1952 or email [husna.begum@towerhamlets.gov.uk](mailto:husna.begum@towerhamlets.gov.uk)

■ Cook4Life offers two different types of cooking courses to families with children under the age of five. A general cook and eat course for parents with children aged one to five, and a weaning course for parents with infants under the age of one. For further information contact Cheryl D'Souza, public health dietitian for children, on 8223 8705 or email [Cheryl.DSouza@bartshealth.nhs.uk](mailto:Cheryl.DSouza@bartshealth.nhs.uk).

■ Children's Weight Management Services has free weight management programmes for children up to the age of 18 and their parents and carers who want to achieve a healthier weight, at venues across the borough. For more information call 8223 8485 or email [weight.management@bartsandthe.london.nhs.uk](mailto:weight.management@bartsandthe.london.nhs.uk)

■ The Food for Health awards recognises local restaurants, cafes and takeaways that have made their food healthier by decreasing the use of salt, sugar and fat, and rewards those businesses offering fresh fruit and vegetables. A full list of restaurants providing healthier options can be found at [www.recipeforfun.co.uk](http://www.recipeforfun.co.uk)

Search Change4Life online to sign up and receive loads of tips and tools to stay on track or download the free Smart Restart app.

## Anti-social order in Bow

POLICE have enforced a dispersal zone in the Grove Hall Park and Stroudley Walk areas of Bow, in response to residents' concerns about anti-social behaviour.

The order, which began on August 1 and will run for six months, gives police the power to disperse groups from within the area and prohibit them from returning within 24 hours.

Police said they would continue to work with the council and other partners to reduce anti-social behaviour across the borough.

If you are being affected by criminal activity in your area, contact your Safer Neighbourhoods Team or call the police on 101. All information will be treated in strictest confidence.

# 70 arrests due to CCTV in a month

BY POPPY TURNER

### EFFECTIVE use of CCTV is continuing to make the borough's residents safer.

July saw 70 'proactive' arrests, which happen when a council CCTV operator either alerts the police to an incident, or leads the police to a suspect after hearing a callout on the police radio and identifying the suspect using CCTV.

The arrests were for a range of illegal activity, from assault and robbery to possession of drugs.

Additionally, footage gathered by council CCTV operators

helped convict three men involved in a robbery at a money transfer firm where a member of staff was shot.

Shofu Miah, of Colmar Close in Stepney Green, and Roger Fuller and Stavros Sammoutis, of north London, were identified from CCTV footage after council operators tracked their vehicle immediately after the robbery, last September.

They were jailed for a total of more than 23 years in a trial at the Old Bailey.

Mayor Lutfur Rahman said: "These successes are testament to the effectiveness of CCTV in

helping to tackle a range of crime and anti-social behaviour.

"These results demonstrate our commitment to working in partnership with the police to make Tower Hamlets safer."

Cllr Ohid Ahmed, deputy mayor, said: "This is a classic example of how police and the council work together.

"The CCTV images of crimes in progress are passed to the police who make the arrests. Neither one of us in isolation could make this happen, but together we bring offenders to justice."

The council CCTV room opened in May 2006.

Volunteers help clean up the Regent's Canal

BY JESSICA ODUBAYO

STEPNEY residents helped clean up a section of the Regent's Canal, hauling cans, bottles, shopping trolleys and other rubbish from the water.

Organiser Dave Bedford, a resident of Grand Union Place, recruited 18 volunteers and received backing from environmental charity Thames 21.

The group worked on the land and in the water, collecting litter along the towpath and edge of Mile End Park.

Their haul from the depths

Dave Bedford with two recovered trolleys

also included a computer monitor and metal fencing.

"Thirty bags of rubbish and three shopping trolleys, four road cones, a pushchair, netball

post, a "for sale" sign, computer monitor and various pieces of metal fencing were collected," Dave told East End Life.

John White, from the Friends

of Mile End Park, teamed up with helper Eddie, to paddle around in a canoe, one of several borrowed from local business Moo Canoes, collecting litter.

John said: "I have had a great day out in fine weather and am pleased this section of the canal and towpath now looks noticeably better. In fact, I want to help organise the next one."

Volunteers were given refreshments, courtesy of Erica Davies, director of the Ragged School Museum, which is on the canal route, and a mystery businessman from Candy Wharf.

## Glenys kept our kids safe for decades

**LONDON'S longest serving lollipop lady has died at the age of 79.**

Glenys Hogan joined the council in 1968 and worked outside scores of schools across the borough. For the past 20 years, she had been the school crossing attendant at St Peter's London Docks C of E Primary School in Wapping.

In April this year, representatives from the London Road Safety Council visited the borough to present Mrs Horgan with an award in recognition of her long-serving role.

When asked what was her favourite part of the job, she replied: "I love having the opportunity to work with children every day and keep them safe."

Colleagues at the council paid tribute to the devoted lollipop lady.

Jamie Blake, service head for the public realm, said: "Glenys was always admired for her enthusiasm and dedication to

Glenys Hogan with pupils from St Peter's London Docks C of E Primary School in Wapping

the job and has, over the years, helped many children to cross the road safely. She will be greatly missed by her colleagues as well as all who knew her."

Colleague Donovan Thomas added: "Glenys was very fond of

Tower Hamlets and always had amusing and interesting facts or pieces of history to tell us."

Mrs Hogan's funeral will be held at 3pm on Tuesday, August 27, at the City of London Cemetery.

# Council challenges fire station closure

BY SUSAN MULLIGAN

**THE council is challenging London Mayor Boris Johnson's decision to close Bow fire station.**

Mr Johnson made the controversial decision to close ten of the capital's fire stations earlier this month, including Bow. Overall, his proposal will result in the loss of 14 fire engines and 552 operational posts.

Last week, seven councils – Tower Hamlets, Camden, Greenwich, Hackney, Islington, Southwark and Waltham Forest – wrote to the Secretary of State for Communities and Local Government to ask him to overrule the decision to make cuts to the capital's fire and rescue service,

on the grounds that the decision is inconsistent with the Fire and Rescue National Framework.

The councils have argued that Mr Johnson's decision ignores the fire risks posed by tall buildings, the boroughs' deprivation status and other significant factors, such as a concentration of tourist attractions as well as social and student housing.

Mayor Lutfur Rahman said: "Leaders in seven London councils believe that Boris Johnson's decision to cut vital emergency services may put people's lives at risk."

"London is a densely populated city and it requires local, reliable emergency services to keep its residents, businesses and

visitors safe. We are committed to doing everything in our power to prevent the proposed fire station closures and staff losses that have been proposed."

If the appeal to the Secretary of State is unsuccessful, the seven councils are also preparing to seek a judicial review of the London Mayor's decision.

The ten stations facing closure are Belsize in Camden; Bow in Tower Hamlets; Clerkenwell in Islington; Downham in Lewisham; Kingsland in Hackney; Knightsbridge in Kensington and Chelsea; Silvertown in Newham; Southwark; Westminster; and Woolwich in Greenwich. Waltham Forest stands to lose three appliances under the cuts.

## Man arrested for cocaine imports

**POLICE have arrested a man on suspicion of importing £25,000 worth of cocaine.**

The arrest was made after Tower Hamlets Partnership Taskforce carried out a search warrant on Wednesday, August 7, at an address in Tent Street, Spitalfields.

Upon entering the property, officers arrested a 54-year-old man on suspicion of being concerned with the importation of £25,000 worth of cocaine. He was also arrested for possession of Class B drugs, which were seized from the address.

The suspect has since been bailed to attend Bethnal Green police station on September 9, pending further investigations.

PC Richard Roberts said: "Working on the taskforce allows me to work closely with the UK Border Agency and other groups to follow up on local information from concerned residents about drug use and supply in the borough."

The partnership taskforce is made up of 34 police officers funded by the Mayor of Tower Hamlets and six officers funded by the police. The team is run jointly by the council and police.

Mayor Lutfur Rahman said: "I decided to fund the taskforce to ensure resources were dedicated to tackling drug dealing and related crime. This raid is an example of the impact the officers are having on the ground."

### History

# Lynchpin of the Left occupies a unique place in Ripper folklore

BY JOHN RENNIE

**IT was the end of a long day for William West as he left the offices of the Worker's Friend newspaper in Whitechapel, with the street lamps barely penetrating the unlit Outfield's Yard.**

A normal day for the young immigrant. But in those early hours of September 30, 1888 he would unwittingly find himself caught up in the Whitechapel Murders.

We'll never know for sure whether he stumbled across the body of Elizabeth Stride, the third victim of the serial killer who would become notorious as Jack the Ripper, or simply passed on oblivious, but West would be called as the first witness in the inquest of the unfortunate 'Long Liz'.

For West, a passionate socialist who would run like a thread through the Jewish workers' movements of the late 19th and early 20th century, this had a double terror.

The 27-year-old had arrived in Whitechapel in the late 1870s, fleeing the anti-Jewish pogroms in Lithuania, and bearing his birth name, Woolf Wess.

Stumbling upon the victim of a murder would be horrific enough, but Woolf would have been well aware that many in the press and public alike were already trying to associate the Whitechapel Murders with the large Jewish community in Whitechapel, with increasingly hysterical theories of religious ritual killings.

West was 'the most modest of men' according to that leading light of East End socialism Rudolf Rocker, but like so many of his fellows, he had undergone an extraordinary journey to end up in Whitechapel.

He was born in Vilkmerge in Russia (now

Ulkomar in Lithuania) in 1861, the son of a master baker, and was apprenticed at 12 to a shoemaker.

At 20, he was working as a factory machinist in the Russian town of Dvinsk (now Daugavpils in Latvia) but desperately looking for a way to escape.

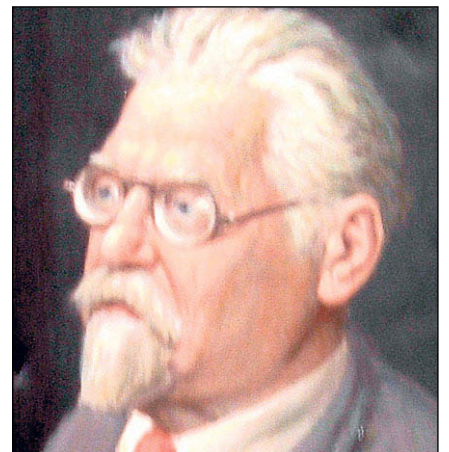

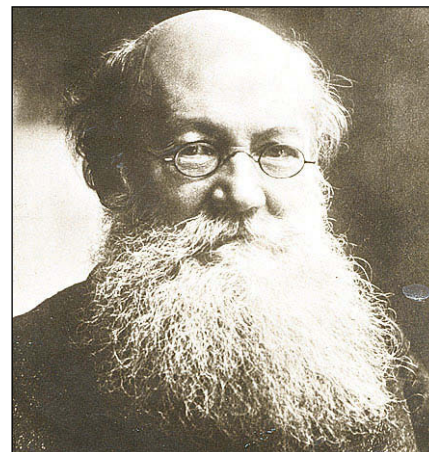

A choice of horrors awaited: death in one of the pogroms sweeping Eastern Europe or military service in the Tsar's army. So, in 1881 he was smuggled on to a boat to London.

A skilled shoemaker, machinist and baker, West easily found work in Whitechapel, but was appalled by the conditions of work and the exploitation of his fellow immigrants.

He was also a hard worker and a fast learner, quickly gaining fluent English, alongside Russian, German and Yiddish.

He put his energies into organising and directing the men and women he worked among. In 1885, he co-founded the International Working Men's Educational Club in Berner Street (now Henriques Street), just

**William West was a significant figure on the Left of London politics**

Peter Kropotkin (above) and Rudolf Rocker (right) were contemporaries of West

south of the Commercial Road, and helped start the Arbeter Fraynd (Workers' Friend), translating news and radical views into the Yiddish that was the everyday language of Jewish Whitechapel.

Questioning at the inquest focused heavily on West's movements, and the comings and goings at the newspaper and club, but he gave no mention of seeing Stride let alone stumbling across the body.

The coroner wanted to know how many members the club had (70 or 80, working men of any nationality could join). He asked about its politics (it was political, a socialist club). How did members get involved? (they were seconded by other members).

Did 'low women' frequent the area? (he had seen them on occasion). And William Wess (as he was called at the inquest) was questioned in minute detail about the topography of the club, the yard and their surroundings and about his own journey home (the few minutes walk to his lodgings on Cannon Street Road).

West had nothing to fear in the end, and neither – soberingly – did the murderer. The killer was never caught and it's highly improbable we'll ever know his identity.

The young socialist, duty done, would go on to be a lynchpin of East End radicalism.

In 1889 he served as secretary of the strike committee during the East End tailors' strike, alongside Charles Mowbray and John Turner.

And in 1891, the increasingly popular orator set out on a speaking tour of England, alongside stalwarts of London socialism Kropotkin, Malatesta and Yanovsky.

He became a skilled typesetter, working on the new Freedom newspaper, and drew

on another of his talents, learned at his master baker father's side, to set up a co-operative bakery in Brushfield Street, Spitalfields.

During the 1890s, Wess founded and became secretary of the East London Workers' Unions; then served as secretary of the International Tailors, Machinists and Pressers' Trade Union, and the United Ladies and Mantle Makers' Association.

Then, in the early 1900s, he seems to have stepped back from union work, taking a job as a book-keeper in a tobacco factory and sharing a house in Leyton with his friend Tom Keell (the manager of Freedom) and his wife Lillian.

It all fell apart when William and Lillian ran off together and by 1906 they were back in Whitechapel, setting up the Arbeiter Frant club in Jubilee Street.

Lillian even tried to set up an Anarchist Society school in the area, but with little success. And in June 1906, William served on the tailors' strike committee, alongside Rudolf Rocker.

To the end of his life, West remained enmeshed in the politics of the Left, joining the Labour party in the 1930s, while running the London Freedom Group. He died in May 1946, at 84.

But one strange postscript remains. Years later, a 'friend of a friend of West' later reported that on that long ago night in 1888, the spooked printer had discovered Stride's body, but moved it further away from the offices of the newspaper and the club, lest members be implicated in the killing.

Truth – or yet another fantasy in the ever-murkier world of 'Ripperology'? We'll never know.

DOZENS of residents living in sheltered accommodation now feel more confident about using computers. More than 86 people signed up to IT training provided using lottery funding. Local enterprise Social Telecoms was commissioned to teach small groups of two to three residents of Gateway Housing. Participants were shown how to use the internet to keep in touch with family and friends, buy online to save money and contact their housing provider. Ruggero Levori, resident at Ted Roberts House, said: "The training went very well. I am very much looking forward to making the most of Skype to contact my family in Italy." Trainer Dan Sergeant said: "Many of Gateway's residents have made substantial progress over just one or two sessions. There have been many examples of residents who have been shy, nervous or apprehensive about using computers, and by the end of the first session many have said that their worries were no longer there."

## A 'bike box' crackdown

BY JESSICA ODUBAYO

**TRANSPORT for London (TfL) and the police have stepped up their enforcement of advanced stop lines, more commonly known as 'bike boxes', to help further improve safety for cyclists on the capital's roads.**

Advanced stop lines (ASL) are the boxes marked on the road with a bike symbol painted inside, located at many traffic lights.

The cyclist has a stop line

several feet ahead of the line used by everyone else in order to give bikes more space so they can be seen more easily and are not right in front of a vehicle's bonnet or wheels.

However, police say, a very significant numbers of drivers are not currently stopping at the rear line.

Drivers caught crossing the first or second advanced stop lines when the signal is red will be liable for a £60 fixed penalty charge and three points on their licence.

The only exception to this rule

is if the traffic signal changes from green to amber and drivers cannot safely stop before the first stop line.

In addition to stepping up enforcement on motorists, rogue cyclists are also being targeted.

Cyclists will be targeted for jumping red lights and issued with a £30 fine if caught doing so.

For more information on the scheme and to get safety tips visit [www.tfl.gov.uk/safetytips](http://www.tfl.gov.uk/safetytips), or visit the police new ASL dedicated webpage at [www.tinyurl.com/ASLadvice](http://www.tinyurl.com/ASLadvice)

অর্ধ শতাব্দিক পিতা তাদের শিশু সন্তানদের সাথে সময় কাটানোর বিশেষ এক ইভেন্টে অংশ নেন। আনন্দ আয়োজনের মধ্যে ছিলো নৌকা বানানো, গল্প বলা এবং লন্ডনের ইতিহাসের নানা দিক আবিষ্কার করা।

বাচ্চারা জলদস্যুর সাজে সেজেছে এবং একজন নাবিকবেশি অভিনেতার কাছ থেকে শুনেছে সমুদ্র অভিযানের নানা কাহিনী।

১৩ আগস্ট মঙ্গলবার মিউজিয়াম অব লন্ডন ডকল্যান্ডস্ এর সাথে পার্টনারশীপের ভিত্তিতে টাওয়ার হ্যামলেটস্ কাউন্সিলের পেরেন্টাল এনগেজমেন্ট টীম এর উদ্যোগে অনুষ্ঠিত হয় ডাডস্ প্লে ডে ইভেন্টস্।

নির্বাহী মেয়র, লুৎফুর রহমান বলেন, একজন পিতা হিসেবে আমি এটা খুব ভালোভাবেই উপলব্ধি করি যে, বাচ্চাদের সাথে বাবাদের আনন্দজনক সময় কাটানোর গুরুত্ব অপরিমীম।

তিনি বলেন, কাউন্সিল পিতা ও সন্তানদের সম্পর্কে আরো সুদৃঢ় করতে বিনিয়োগ করায় আমি খুব গর্ববোধ করছি।

গত জুন মাসে বেথনাল গ্রীণ লাইব্রেরীতে অনুষ্ঠিত প্রথম ডাডস্ প্লে ডে ইভেন্ট সফল হওয়ার

প্রেক্ষিতে ১৩ আগস্টের দ্বিতীয় ইভেন্টটি অনুষ্ঠিত হলো। অটোম টার্মে অনুষ্ঠিত হবে পরবর্তী ইভেন্ট।

Students celebrate GCSE results – pages 2 & 3

চলতি বছরের জিসিএসই পরীক্ষার রেজাল্ট প্রকাশিত হয়েছে ২২ আগস্ট বৃহস্পতিবার। এবারও টাওয়ার হ্যামলেটসের শিক্ষার্থীরা অত্যন্ত কৃতিত্বপূর্ণ ফল অর্জন করেছে।

সেন্ট পলস্ ওয়ে ট্রাস্ট স্কুলের কৃতি শিক্ষার্থীরা বৃহস্পতিবার জিসিএসই-তে তাদের অভূতপূর্ব সাফল্য উদযাপন করেছে নির্বাহী মেয়র লুৎফুর রহমানের সাথে।

এক সময় শিক্ষা ক্ষেত্রে অত্যন্ত বাজে পারফরমেন্সের অধিকারী এই স্কুলটি সাম্প্রতিক কালে নাটকীয়ভাবে উন্নতি করেছে। স্কুলের মোট পরীক্ষার্থীর ৫৯ শতাংশ এবার ম্যাথস্ ও ইংলিশ সাবজেক্ট সহ অন্যান্য সাবজেক্টে এ স্টার থেকে সি গ্রেড লাভ করেছে। গতবারও স্কুলটি এই সাফল্য অর্জন করেছিলো। ২০০৮ সালে এই হার ছিলো মাত্র ২৩ শতাংশ।

জিসিএসই পরীক্ষায় অনবদ্য সাফল্য অর্জনকারী শিক্ষার্থীদের ও স্কুলের সর্বস্তরের স্টাফদের অভিনন্দন জানাতে মেয়র লুৎফুর রহমান

বৃহস্পতিবার সকালটা কাটান সেন্ট পলস্ ওয়ে ট্রাস্ট স্কুলের উত্তীর্ণ শিক্ষার্থীদের সাথে।

মেয়র লুৎফুর রহমান বলেন, সেন্ট পলস্ ওয়ে স্কুলে এসে অসংখ্য নিবেদিত ও সম্ভাবনাময় আগামীর অধিকারী তরুণ বয়সীদের সাথে দেখা করতে পারাটা আমার জন্য অনুপ্রেরণাদায়ক। এটা পরিষ্কার যে স্কুলের প্রতিটি শিক্ষার্থী সম্পূর্ণ অত্যাধুনিক সুবিধাদি সম্বলিত এই স্কুলের প্রতিটি সুবিধা উপভোগ করছে।

মেয়র আরো বলেন, আজ হচ্ছে সাফল্য উদযাপনের দিন এবং বারার প্রতিটি স্কুলেই আজ উচ্ছলতার বান ডাকাটাই স্বাভাবিক। কিন্তু গত সপ্তাহে ঘাতকের হাতে নির্মমভাবে নিহত আজমল আলমের অকাল মৃত্যুর কারণে ল্যাংডন পার্ক স্কুলের শিক্ষার্থী ও শিক্ষকরা আজ শোকে মূহমান। তাদের সাথে আমরাও শোকাহত।

তিনি বলেন, আজ হয়তো আজমলও তার রেজাল্ট সন্গ্রহ করতো। মেতে উঠতো বাঁধ ভাঙ্গা আনন্দে। সে ছিলো অত্যন্ত মেধাবী। ভালো ফলা

ফল অর্জন করেছে। তার এই সাফল্যে তার পরিবার পরিজন বন্ধু বান্ধবরা গর্বিত হওয়ার কথা ছিলো। আজমল আলম নিহত হওয়ার পর আমাদের স্কুলগুলো ও কমিউনিটিকে আরো ঐক্যবদ্ধ করতে যারা সহযোগিতা করেছেন, আমি তাদের সবার প্রতি কৃতজ্ঞতা জানাচ্ছি।

এ স্টার এবং ৭টি এ গ্রেড অর্জনকারী স্কুলের তারকার শিক্ষার্থী এনামুর রহমান তাঁর প্রতিক্রিয়ায় বলেন, আমি যেমন স্বত্ত্বিবোধ করছি, তেমনি বিস্তিত। আমি ধারণাও করতে পারিনি এত ভালো ফল করতে পারবো। আমি ভেবেছিলাম মোটামোটি ভালো হবে।

কেবিনেট মেম্বার ফর চিলড্রেন, স্কুলস্ এন্ড ফ্যামিলিজ, কাউন্সিলর ওলিউর রহমান বারার প্রতিটি স্কুলের জিসিএসই উত্তীর্ণ শিক্ষার্থীকে অভিনন্দন জানিয়ে বলেন, আমাদের অসংখ্য ছেলে মেয়ে অজস্র প্রতিবন্ধকতার বেড়া জাল টপকে ভালো ফল অর্জন করেছেন। সকলের এই সাফল্যে আমরা সবাই গর্বিত।

## টোব্যাকো আইনের ব্যাপারে বিক্রেতাদের দৃষ্টি আকর্ষণ

Sellers are reminded of tobacco laws – issue 973

সিগারেট ও তামাক জাতীয় দ্রব্যাদি বিক্রয়ের ও লেবেলিং এর ও এ ব্যাপারে জাতীয়ভাবে সমান আইন প্রযোজ্য। এ ব্যাপারে বিক্রেতা ও জনগনকে আইনের কথা স্মরণ করিয়ে দেয়া হয়েছে।

ধূম্রবিহীন তামাক জাতীয় টিনজাত, প্যাকেটে করে বিক্রি করা হয় এসব দ্রব্যের মোড়কে লেখা হয়ে থাকে পান মসলা, বেরেল কুইড, গুটকা ইত্যাদি। এসব তামাক জাতীয় দ্রব্য চিবিয়ে খাওয়া হয়। এ ছাড়াও তামাক পাতা, খৈনি, জর্দা, চুন, খয়ের

ইত্যাদিও পান সুপারির সাথে খাওয়া হয়।

এসব দ্রব্যও অন্যান্য নেশা জাতীয় দ্রব্যের মত ক্ষতিকারক এবং স্বাস্থ্যের জন্যে ঝুঁকিপূর্ণ। জরীপে দেখা গেছে যারা দিনে ৫ বার এসব দ্রব্য চিবিয়ে খেয়ে থাকেন তাদের মুখে ক্যানসার হবার সম্ভাবনা ঝুঁকির মধ্যে থাকেন। বাংলাদেশি ও সাউথ এশিয়ান ধ্রোসারি ও সুইটশপে এসব তামাক জাতীয় দ্রব্যাদি বিক্রি হয়ে থাকে।

গত বছর টাওয়ার হ্যামলেটস কাউন্সিলের ট্র্যাডিং স্ট্যান্ডার্ড টিম পরীক্ষামূলক ভাবে দোকান থেকে এসব দ্রব্য কিনে নিয়েছিল। এ জন্যে তারা

১৫ বছর বয়সীদের ব্যবহার করেছিলেন তারা ১২ টি দোকান থেকে অবলীলায় এসব দ্রব্য কিনতে সক্ষম হয়েছিলেন। বিক্রেতার ১৮ বছরের কম বয়সীদের কাছে এসব দ্রব্য বিক্রি করে অপরাধ করেছিলেন, এই আইন ভঙ্গ করার কারণে ২,৫০০ পাউন্ড জরিমানা হতে পারে।

ডেপুটি মেয়র কাউন্সিলর ওহিদ আহমদ বলেছেন, আমরা এ ধরনের অভিযান অব্যাহত রাখবো এবং বিক্রেতাদের আইন মানতে বাধ্য করবো এবং এই সমস্যার গুরুত্ব তুলে ধরবো।

**MORE THAN 500 children and families took part in the annual Cardboard City Festival, in Mile End Play Park on August 1.**

With houses and towers built out of cardboard and tape, the area was transformed into a village with the young architects admiring their handiwork.

The event encouraged creativity as young people and their parents got stuck into decorating their houses.

The seaside was brought to Victoria Park on **August 3**, where 2,500 visitors enjoyed A Great Day Out. Staff wore fancy dress to entertain guests and attractions included a Victorian carousel, Punch and Judy and donkey rides.

Children and adults alike tried their hand at traditional games such as coconut shy,

# Round the world racers set sail from St Katharine Docks

BY RUSSELL COTMAN

### SAILING fans are in for a rare treat this weekend at St Katharine Docks.

The historic site will be the starting and, eventually, finishing point for the Clipper Round the World Yacht Race.

The new Clipper 70 yachts, specially designed for the race, including a Great Britain entry, arrived at the docks on Friday, August 23, to form a spectator Race Village which will run through to the race's departure.

Open over Bank Holiday weekend, the Clipper Race Village will offer visitors the chance to view the yachts ahead of their marathon journey and get an insight into crew life at sea.

The twelve-strong fleet will then create a spectacle on the Thames when it departs the capital on September 1, not returning until July 2014 after racing 40,000 miles and visiting 14 ports on six continents in the world's longest ocean race.

Legendary British sailor, Clipper race founder and chair-

man, Sir Robin Knox-Johnston said: "The Clipper Round the World Yacht Race is a real jewel in the crown of world sailing, the only race in the world that takes every-day people and

turns them into ocean racers."

As well as open boat opportunities, visitors to the Race Village at central London's only marina will enjoy sailing related family entertainment,

St Katharine Docks. Left: a clipper

demonstrations, activities, food stalls, boat naming ceremonies, crew sign-up opportunities and various sponsor presentations.

A giant screen will also show the departure.

Ben Walford, of St Katharine Docks, said: "We are extremely proud to host this prestigious event.

"The dock's stunning backdrop will provide the perfect setting for this great occasion."

Designed to provide everyone – regardless of sailing history – the chance to experience the exhilaration of circumnavigation, the Clipper Race has turned

over 3,500 novices into ocean racers since its inception in 1995.

Skipped by professional yachtsman, each team will battle to complete eight different legs over eleven months, all vying for the overall top prize. ■ You can get a close-up view of the yachts daily until August 30, from 11am-6pm.

On Sunday, September 1, the race crew official departure ceremony runs from 9.30-10.30am. At 10.50am the yachts start leaving the docks. The grand, ceremonial departure at Tower Bridge is scheduled for 1pm.

## News in brief

### Meet best-selling author Chris Ryan

BEST-SELLING author Chris Ryan will be signing copies of his new book, *Masters of War*, at Canary Wharf, this Friday, August 30.

The former SAS man will be at Waterstones, Jubilee Place, from 12.30pm. to mark the launch the book.

The novel, set in war-torn Syria, introduces a new series protagonist in the form of Danny Black, a man who will find himself sucked into the dark and morally ambiguous world of the private military.

Ryan, born in 1961, enrolled in the army aged 16 and went on to join the SAS at 25.

### Noble exhibition

ARTIST Alex Noble's new solo mixed-media exhibition explores pattern and colour.

Creatures From The Kaleidoscope involves, film, sculpture, sound, installation and fine art.

Noble's pieces become iconographic, reminiscent of stained glass windows, large mosaics and the palettes of rich motifs such as those used in Hindu imagery. Pattern and shape are partnered with the human form.

Noble's illustration, mannequin installations and large-scale artwork will accompany the exhibition.

The free exhibition runs from August 31 to September 10, at the Londonewcastle Project Space, 28 Redchurch Street, E2.

EAST London filmmakers Hazuan Hashim and Phil Maxwell have captured the area in photography and film for years, and their latest work traces the changes that have occurred in Spitalfields and Banglatown. Candidly looking at immigration, regeneration, living conditions and culture through the eyes of local residents, and

making extensive use of Maxwell's vast photo archive, East One celebrates a part of London that has seen unprecedented change, yet retains a unique identity. ## The strange true story of the pianist in the night

**AN interdisciplinary performance featuring dance and live music comes to The Space for a week-long residency.**

Story of a Night Pianist, choreographed by Italian-born dance artist Anna Buonomo, tells the true story of a strange encounter composer Lorenzo Turchi-Florin had while playing at night.

A character-based work, it draws on the historical narratives of people living and working at Trinity Buoy Wharf in east London during the 19th century.

It was commissioned for Big Dance 2012 and originally performed at the wharf.

Anna Buonomo said: "I am ex-

remely excited to bring Story Of A Night Pianist to another historical site in east London that shares many elements with its original version: a promenade experience for the audience, the element of water and a haunted building from the 1850s: the former church that now hosts The Space."

The show will be performed alongside FrogHouse Dance Company's *Lost Men*, choreographed by Amy Swallow.

It runs from August 26 to September 1 at, 8pm at The Space, 269 Westferry Road, E14.

Tickets cost £12/8. To book or for further information, call 7515 7799.

### Eating out, eating in

# Super by name, super tasty in your bento box

BY AVARICIOUS ARCHIE

**WITHIN** the ever-changing culinary landscape of East India Dock Road, I arrive at the Super 3 Chinese restaurant to be admonished for my preternatural tardiness by my resident lunch pest – she who must be obeyed.

Suitably rebuked, I am able to focus on the job at hand, firstly discourse on the meaning of love and life and, secondly and I suppose for readers more importantly, lunch.

The decor of the Super 3 is dark without being oppressive with large windows that prefer a good view of the world as it goes by and more than enough light to illuminate the dining area.

The lunch menu is split in to two prices £5.80 or £6.80, both for a set meal which consists of a starter from a selection of five, a main dish with an accompaniment of either steamed rice, egg fried rice or bean sprouts with fried noodles.

The difference between the

The food was plentiful and very popular with Archie and pal

costs is basically that the cheaper menu has meat mains and the more expensive one is seafood or fish based.

After a short deliberation, we decided upon a seaweed starter with a Szechuan fish main, accompanied by egg fried rice for her and satay chicken with a

prawn and vegetable main with a supporting cast of beansprout and fried noodles for myself.

The food was very enticingly but possibly incongruously presented in bento boxes. There was a plentiful amount, attractively presented and

steaming, piping hot.

My companion's meal of egg fried rice and fish was very fresh and well cooked, and so delicate that she was struggling to eat it with her chopsticks without it falling apart.

Her portion of rice was well cooked and a perfect foil for the fish and seaweed.

My meal was also plentiful and, quite frankly, delicious. The satay chicken was incredibly tender, the sauce was surprisingly light, and the bean sprouts had a pleasing crunch to them denoting just the right level of cooking. The prawns were just about well cooked with a sauce full of crunchy, fresh vegetables.

The meal was washed down with a fragrant pot of jasmine tea.

This is a restaurant that deserves a visit and I for one will be returning to explore its larger menu. And if there is a hungry horde in your office, Super 3 has a local delivery service for a minimum of five boxes.

# Treats that all the family can enjoy

**EVERY month the council's school catering service provides a tasty, easy to prepare recipe from Trigger's school meal menu for you to try at home.**

Send us a picture of yourself preparing or eating the meal – or write a review letting us know what you thought of the dish. Email your entry to [WWW.MYSCHOOLLUNCH.CO.UK/TOWERHAMLETS/parents/contact/](http://WWW.MYSCHOOLLUNCH.CO.UK/TOWERHAMLETS/parents/contact/) or post it to Recipe Competition, Toby Lane Council Offices, Toby Lane, E1 4DN. Don't forget to write your name, address and phone number on the back.

Trigger has chosen this recipe

as you can all try making this pizza during the school holidays; they make a lovely lunch! Tuna is a really popular choice in our school meals service and so is pizza, so Trigger thinks this will be a real treat for all the family.

We have chosen to top the pizza with tomatoes and green peppers but you can add your own preferences. We are using cooked muffins as a base, which can be wholemeal, or try using a savoury scone mix which will work equally well.

Why not try adding some of your favourite vegetables? Happy cooking and don't forget to enter the competition.

# On yer bike, it's free

BY JESSICA ODUBAYO

**FIVE lucky children, who attended an Eid party organised by social housing landlord Tower Hamlets Community Housing (THCH), went home with free refurbished bikes.**

The party, held at THCH's Minerva Community Centre in Bethnal Green, was attended by more than 500 residents of all ages who took part in skateboarding, south Asian board game carom, a bouncy castle, dancing and entertainment.

Officers from the Tower Hamlets youth and communities service attended along with PCSO David Crow from the Bethnal Green Safer Neighbourhood Team, to hand over five recycled bikes to local children.

The youngsters took part in a bicycle maintenance workshop and

Lucky youngsters with their refurbished bikes

all bikes were security coded.

THCH's Shamim Hossain said "There was a fantastic turn out and many of the residents who came along told me how much they enjoyed the event.

"It was wonderful to see so many people out and about meeting their neighbours. A huge thank you to the volunteers from the St Peter's Bengali Association for helping out on the day."

## Enjoy the fruits of your labours, if you have the time and space

### News from Cable Street Community Gardens

**AUGUST and, for those of us lucky enough to have growing space, now is the time to enjoy the fruits of the rest of year's hard work.**

French and runner beans should be picked regularly to maintain cropping and carrots, beet, turnips and potatoes dug up as required.

This has been a good season for courgettes and marrows, so why not enjoy them while they are tender and small rather than wait for them to grow large but maybe not so palatable. If you have a glut, they make great jam and chutney.

A friend, who had moved to Vermont in the USA, related how she was told always to keep the car doors locked especially in summer – to stop her car

being filled with excess quantities of squash and marrow.

There may be a few spaces now where shallots, garlic and onions have been harvested. A great filler, and one which will last right through to the autumn, are oriental vegetables such as pak choi and Chinese cabbage. Or you can sow a row of spring cabbages and winter spinach.

Now is also a good time to harvest herbs and summer flowers such as lavender and rose which can be hung upside down in bunches to dry and enjoyed throughout the winter months.

Lavender provides the perfect natural air freshener and will keep well. When completely dry, the little florets can be shaken off and used in pot pourri or in lavender bags for gifts.

Whatever your plans, enjoy the rest of the summer. Happy gardening!

# TMO'S

## Tenant Management Organisations

(TMOs) are formed when tenants decide they want to take over the management of their homes. TMOs usually take the form of either a Tenant Management Co-operative (TMC) or an Estate Management Board (EMB).

When a TMO take over the management of an estate the Council still owns the homes and the tenants keep the same rights as other Council tenants.

Should you move to a property managed by a Tenant Management Organisation (TMO) you may be expected to contribute to the day to day running of the block & estate.

## TMO responsibilities can vary, but may include:

- organising repairs
- deciding on caretaking and estate cleaning priorities
- collecting rent and managing arrears
- employing and managing staff and contractors
- looking after public gardens and other shared areas
- controlling any estate improvements
- providing advice and support to tenants.

**Please be aware of this when bidding for a Tenant Management Organisation (TMO) property.**

## Reminder

Please respect people's privacy by not attempting to access advertised properties or knocking at neighbouring homes. This causes a nuisance and may distress some individuals.

# AFFORDABLE RENT PROPERTIES

Changes to Government policy mean that Housing Associations have been forced to charge higher rents on some properties. In addition not all tenancies will be tenancies for life.

Please note the rent level and length of tenancy offered on the following homes.  
You are advised to check the Homeseekers website at [www.thhs.org.uk](http://www.thhs.org.uk) for further information.

## Sport

### Sport in brief

Harvey Horn

### Harvey's dream is ruined by politics

REPTON boxing starlet **Harvey Horn** had his dreams of European boxing glory wrecked last week – before he had even laced on a glove.

The Bethnal Green youngster was due to compete in the prestigious European Junior championships in Rotterdam, but found himself in the middle of a political storm when England's boxers were banned from taking part.

The Amateur Boxing Association was hit with a worldwide suspension by the International Boxing Association, because it had blocked World Series of Boxing (WSB) fighters from competing at national events.

It meant Horn's bid for a European title ended before he even got in the ring

There were fears that Repton's, **Jimmy Smith**, would not be able to compete in the junior world championships in Kiev on September 5.

But although the suspension has now been lifted, the AIBA President has agreed that they can still fight in major tournaments, but under the flag of the world governing body and not England, while a resolution is found.

### Zabbeh shines in cricket cup clash

**Stoke Newington v Pacific**  
Zabbeh Mohammed, who has been a big hit at the crease for Stoke Newington this season, steered them into the Victoria Park Community cricket league Plate semi-final when he and Scott Doody both hit 38 runs - the latter unbeaten as the side

reached 123-3. Pacific had batted first and Thagarajan scored 38 and Ireland 35 as they reached 119-6 - Irfan taking 3-27.

### London Tigers v Homerton

London Tigers lost the toss and were put into bat and massive hits from Misbah, 40, Bodrul, 44, and Ali, 35, steered them to a creditable 178-4. In reply Homerton were destroyed by the bowling of Salman Ahmed, who took three wickets in three overs leaving the opposition on 98-7.

### Bengal Tigers v Wrong'uns

Wrong'uns batted first and reached 105-6, but it was never enough for them to reach the next round as Bengal Tigers reached their target with overs to spare.

### Sky v Victoria Lounge

Victoria Lounge scored 108-7, but they were knocked out of the Plate competition when Waqar Ali's 44 took Sky to 112-5.

### Lions make base in Copper Box arena

MORE than 5,000 fans packed the Copper Box arena last week as the London Lions basketball team took on Iowa University in their first match at the venue.

The Arena is now the home base for the Lions and they are the first legacy team to take residence on Queen Elizabeth Olympic Park.

All Lions' home matches will be played here and they kick off the new season on Friday September 27 at home to the Manchester Giants.

Around 11,000 people have seen top class basketball at the Copper Box arena in the space of just four days. Last week, fans witnessed another thrilling contest as the Lions took on Iowa, one of The top college sides in the States, who won 107-72.

Vince MacCauley, London Lions head coach, said: "Amazing is all I can say. From the basketball standpoint Iowa were terrific and it's obvious why they are favourites for the Big Ten title in the US.

"We matched them for a long while, but they shot the ball very well. It's a new era for British basketball."

### Leonard pledges help for hospice

RUGBY legend Jason Leonard, OBE, visited Richard House Children's Hospice last week, ahead of his annual fund-raising dinner for the charity on September 25.

The former British and Irish Lions star, holder of a record 114 England caps, visited the Beckton hospice, which supports children with life-threatening, life-limiting and complex health conditions and their families, in Tower Hamlets and surrounding boroughs.

During his visit, the World Cup winning prop was given a tour, met members of staff and was introduced to some of the children that regularly visit the hospice.

He was also able to see a sensory session in the hospice, which helps children with complex needs communicate and express themselves.

### Ohuruogu ends with a bronze

CHRISTINE Ohuruogu ended her successful World championships in Moscow by anchoring the women's 4x400m relay team and taking them to a bronze medal.

The team was missing injured Perri Shakes-Drayton, but Eilidh Child, Shana Cox, Margaret Adeoye and Ohuruogu finished behind winners Russia and the United States in a season's best 3m 22.61 seconds.

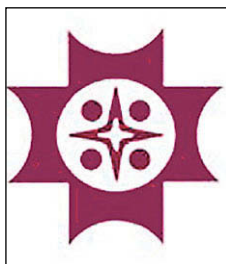

It was the strength of Ohuruogu on the final lap that enabled the team to get among the medals and was a superb addition to the 400m gold she had achieved at the start of the week.

# Such a cruel finale as Shadwell go down

BY PETER FAULKNER

**FOOTBALL is a cruel game and Shadwell FC found out how heartbreaking it can be in their final match of the Bangladesh FA Summer League.**

Shadwell needed to win to avoid relegation, but Lady Luck dealt them a formidable task in facing Ponders End.

They had led the table since the start of the season and had to win if they were to become champions. It couldn't have been tougher for Shadwell.

Beaumont Athletic also needed Ponders End to lose or draw if they were to snatch the title at the last hurdle.

Although Shadwell put up a great fight, they lost 1-0 and were relegated while Beaumont could only draw 0-0 with Elite Ash-Shabaab and finished runners-up.

The matches, at Victoria Park and Bartlett Park, began in May and 40 teams and over 1000 players have taken part.

Ponders End have climbed from the bottom three divisions in the last seven years to the Premier Division – a great effort.

In the First Division, three teams – BYM Sports Academy,

Champions Ponders End with their winning trophy

ACE FC and Beaumont Athletic Youth – were fighting for the two promotion spots.

Beaumont needed to win their last game to have any chance of securing promotion place and they won in style beating SOUL 7-1 comfortably.

Ace and BYM fought out a 0-0 draw so all three teams ended up on 22 points, giving BYM promotion on goal difference – a year after being relegated.

Spare a thought for ACE – they missed a penalty and this would have given them the title.

In the Second Division, both Shadow Youth Alliance A and Burdett were guaranteed promotion, but the division winners were SYA, who led from the first week, after a 5-2 win over West Ham Sporting Club. Burdett beat SOUL Youth 3-2.

It was the same story in the Third Division with Shadow Youth Alliance B winning the title after a 1-0 win over Al Muzan and Bow FC winning their final game 1-0 against Stepney Youth to finish second.

The Summer League Cup Final, sponsored by Sonali Bank,

will be played in September at Mile End Stadium between Beaumont Athletic and Bromley By Bow FC.

Check out the BFA website [www.bfauk.com](http://www.bfauk.com) for date and time.

To recognise the achievements of everyone involved in the Summer League the BFA will be holding their Annual Awards Ceremony on Tuesday October 8, 6pm at the Troxy.

## Sponsor plea to help club grow

### Football

**FC Hamlets have come a long way since they were formed four years ago and played with just one football donated by the Film Academy.**

Since those days, when they competed in the West End League at Victoria Park, as Tower Hamlets Borough, the club have moved into the Essex Business Houses League and proved they can become a top side.

Last season was a stepping stone for the club. They moved into a new division, finished sec-

ond in the league, won the Premier Cup and reached the final of the Syd Morell trophy.

Now the club are looking for sponsors who can help them develop into a better side, under Ashley J King.

Gary Stevens of Little G Print, has put his faith in the team by sponsoring new kit and now the club wants to get more backers on board.

# Annual cup clash is a success

### Football

**THE annual Tower Hamlets Community Cup competition proved another big success story at the weekend.**

Now in its eighth year and hosted by the Osmani Trust, over 40 teams took part in one of the borough's largest youth football tournaments.

Hackney FC were impressive winning two finals against East

London Sports Association in the under-11s and Valance in the under-12s after a penalty shootout.

Newark Youth beat Soul in the under-14 final while Somers Town Future defeated Valance 4-2 in the under-16 final.

More than 400 players represented Tower Hamlets, Newham, Islington, Hackney, Camden and Lambeth.

Reshad Rassool a young player taking part in the event said:

"It's amazing to see an event that has so many different races and cultures coming together and shows me when the community come together we can create something that we hope stays in the young people's memories forever."

Simon Butler, sports capacity manager for Tower Hamlets said: "The fun activity and football competition delivered a spectacular event for Tower Hamlets and its neighbours."

### Boxing

#### Marianne on a mission

**MARIANNE Marston, rising star of women's boxing, travels to Malta on Friday to fight Masa Baconov, with the promise of a world title fight on the horizon.**

Marianne, part of Bow promoter Johnny Eames Trad KO gym set-up, has been told that if she wins this fight and her third contest at York Hall, Bethnal Green, on October 4, she could land her world chance.

Plans are being made to fast track her to a lucrative WBF International title fight in London on November 30.

Marianne has recruited former British and European super-bantamweight champion Ian Nappa as her main sparring partner for Friday's fight, at the Dolman Hotel and Spa Resort.

# Barker, the real life Rocky

Darren Barker with his British and Commonwealth belts

BY PETER FAULKNER

**DARREN Barker climbed off the canvas to win the IBF middleweight crown last week then admitted it was his late brother who inspired him.**

Barker, who has a tattoo on his back honouring brother Gary, was down and virtually out in the sixth round, and it looked as if his second crack at world glory was going to end in failure.

But the former Repton star said: "When I was on the ground all sorts of things were going through my head. I just thought of my wife, my family, my daughter and my brother.

"I saw all their faces and that inspired me to get up."

There were fears that this was going to be a repeat of his 11th round defeat to Sergio Martinez in Atlantic City two years ago. But Barker boxes with more belief today.

"Not many people know the journey I have been through to get here," added Barker.

"This is a real Rocky story and I dedicate this to my late brother. Everything I have done is for him – and for my family."

It really was a gruelling fight, with Barker impressive in the 10th and 11th rounds while Geale came back in the final round to try to sway the judges.

Barker now follows in the footsteps of former East End middleweight legends like Ted Kid Lewis and Nigel Benn, and can look forward to some

big-money fights with a first defence against German Felix Sturm, a former WBA and WBO champion, in the pipeline.

But promoter Eddie Hearn has other ambitious plans for the new champion, including a rematch with Geale. Hearn says he's also interested in matching Barker against Matthew Macklin, Martin Murray, Peter Quillin and Gennady Golovkin.

Sturm is first on the list though and the fight is likely to take place in December.

The German is fighting Father Time at present and at 34 is past his prime.

He hasn't fought outside Germany since losing to Oscar De La Hoya in 2004, so some tough negotiating will be needed to get the fight over here.

NEWS FROM TOWER HAMLETS COUNCIL AND YOUR COMMUNITY

## Cup trips bring mixed fortunes

BY PETER FAULKNER

**WALSHAM le Willows, a sleepy little Suffolk village, is typical of the kind of place where FA Cup dreams are often made and destroyed.**

The village, with a population of just 1,000, was the setting for the television series *Lovejoy*, about the life of a rural antiques dealer.

It was also the setting on August 17, when **Tower Hamlets Football Club** realised their cup dream in front of only 63 fans and earned a place in the next round away to Harlow.

With it came a prize of £1,500 – hardly a fortune compared to the money that will be generated by the major sides as the competition progresses – but a lifeline for smaller clubs.

Not such a happy story though for another borough side, **Sporting Bengal**, who narrowly and bravely lost 3-1 away

to FC Clacton and received the praise of opposing fans for their sporting spirit.

Luke With should have put Tower Hamlets ahead early on, but shot wide when clear through and shortly after goalkeeper Jason Willis saved well from Andrew Wood.

The winning goal came 15 minutes from time when With turned on the edge of the box and hit a superb strike.

Walsham battled for an equaliser and were unlucky when Tom Agricole hit the post and Nathan Clarke's follow up hit the bar.

But Tower Hamlets were full value for their victory and will go into the Harlow game full of confidence.

**Sporting Bengal** may have lost to a better side, but all the FC Clacton fans were tweeting straight after the game to praise the East London side for their sporting behaviour.

FC Clacton supporters said the

fans lived up to their sporting name and showed the true spirit of the FA Cup by even applauding the Seaside off the pitch.

Bengal were a goal down through Aaron London after 25 minutes, but it didn't rock their confidence and just before half time they were on level terms, when Shahed Ahmed produced a piece of magic and fired a free kick over the wall and into the net.

Bobby Redwood and Castano were causing problems in the second half, but their dreams were eventually broken when player-manager Ray Turner nodded home before Jake Clowsley finally turned the screw minutes from the end hitting the ball over Mihal Neofit and into the net.

The Tower Hamlets Community Cup produced some exciting action at the weekend. Find out who won and who lost on page 34
